Enclosures.

Dear Sirs,

Referring to your letter of the 2nd August last respecting the motorship "DUVALLA" I think it well to enclose for your information a copy of a letter which has been received at this Office from the Society's Surveyors at New York together with a copy of my reply to this communication, and shall be glad if in the circumstances you will kindly appoint a competent and independent surveyor to make a general examination of the hull and machinery of this vessel upon your receiving a request from the Owners or their Representatives to do so.

I enclose herewith forms for reporting the survey, which should be returned to this Office in due course, and I may say that all fees and expenses in connexion with the matter must be paid by the Owners or their Representatives and should accordingly be charged by you to them.

I am, Dear Sirs,

Yours faithfully,

Messrs. W.D. Woodin & Co. Ltd.,
