Received by Chief Ship Surveyor

Received from Chief Ship Surveyor

VESSEL'S NAME *Steel S.S. "Bagnoli 1."* Rpt. *Nap.* No. *2218.*

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey *First Entry.*

It is submitted before this case receives the consideration of the Committee the Naples Surveyors should be requested to state :-

- ① whether a partial third deck is fitted in No. 1 Hold as approved.
- ② whether solid floors are fitted every third frame as approved or as reported.
- ③ whether the propeller post is as approved on the plan of midship section and as awarded on the plan of sternpost, or as reported.
- ④ what is to be understood by the statements regarding the tests of the stream wire and towline; where the tests were made + whether a usual certificate of test was issued by the manufacturers
