Dear Sir,

NOS. 1561 and 1563 SHIPS.

We thank you for your letter of the 9th instant returning two copies of our plan of the arrangement of heavy plating and fore and after girders under engines, duly approved. In view of your remarks regarding the size of vessel and power of engine, we have decided to make the outer girder a full depth girder.

We are submitting the two proposals for thickness of top plating and girders to the Owners, and will let you know their decision in due course.

Yours faithfully,

FOR
SWAN, HUNTER WIGHAM RICHARDSON, LTD.
