

14th May, 1937.

Messrs. Aalborg Værft A/S.,

Aalborg.

Dear Sirs,

I have to acknowledge receipt of your letter of 11th instant enclosing plans, in triplicate, of Profile & Decks and Midship Section for a Single Screw Steamer Yard No. 58 which you are proposing to build and with regard thereto I have to state that provided the Scantlings and Arrangements as shewn and amended be adhered to, the Rules in all other respects be complied with and the materials and workmanship be to the Society's satisfaction, the vessel will be eligible to be classed 100 A 1 with a freeboard corresponding to a draught not exceeding that contemplated by the Rules for a complete superstructure ship having a tonnage opening. (Strengthened for navigation in ice).

The steel to be used in the construction of the ship must be made by the Open Hearth process at Works recognised by the Committee and must be tested in accordance with the require-

ments of the Rules.

I shall be glad if I may be favoured with an additional set of plans for reference in this Office.

Yours faithfully,

2 enclosures.
