Dear Sir,

S.

I have to acknowledge the receipt of your telegram respecting the classification certificates of the motorship "WAIRANGI" - Glasgow Report No.55326.

I have also to confirm our telephonic conversation and to acquaint you that the classification certificates have been forwarded by hand to the Owners of this vessel, it being understood that the Shipbuilders are sending a cheque for the classification fees.

I am, Dear Sir,

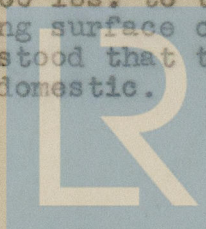

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,

GLASGOW.

P.S. I have added "2 DB 100 lbs." to the Minute as the two boilers have a heating surface of more than 50 square feet and it is understood that they can be employed for purposes other than domestic.
