

WOKINGHAM COPY

F.

24th July, 1942.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 15th instant respecting the steamer "CORABELLA", and in reply I have to say that in the circumstances the Committee are agreeable to the General Examination for maintenance of class being postponed until the vessel's next return to the United Kingdom, it being understood that this will not be unduly delayed beyond the 31st proximo when the survey in question becomes due.

I have to add that your proposal to deal with the Screwshaft Survey at the next drydocking is in order.

I am, Dear Sirs,
Yours faithfully,

pro Secretary.
