Dear Sirs,

S.

With reference to your report No. 32353 and to previous correspondence regarding the steamer "CORABELLA", I have to request that Mr. Pickworth will be good enough to state whether arrangements have yet been made with the Owners' Representative for the old sole piece of this vessel's sternframe to be broken through with a view to further examination.

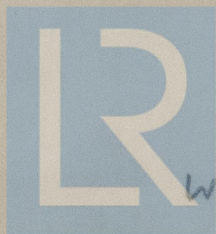

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

SUNDERLAND.
