55, Fawcett Street,

Sunderland, 19th March, 1938.

Dear Sir,

We have to request that the report on the forging of the lower part of the stern frame of the steamer "CORABELLA", Sunderland First Entry Report No. 32182, may be forwarded to this office for reference in dealing with the repairs.

As there is a possibility of a law case in regard to this stern frame we may be asked by the Owners to furnish them with the test results and we shall be glad to be informed whether we may do so.

We are, Dear Sir,

Yours faithfully,
THE SURVEYORS,
