Received by Chief Ship Surveyor.....

Received from Chief Ship Surveyor.....

VESSEL'S NAME "ATHELMONARCH" REPORT Cbo. No. 1333a

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

For conditions of class see previous endorsement.

The COLOMBO Surveyor reports (4.43) the vessel afloat and the windlass cylinder block renewed and the windlass satisfactorily tried under working conditions.

On account of striking jetty no damage was found.

It is submitted the vessel appears worthy to remain as classed subject to permanent repairs to shell plates B.6 (p.s.) and G.4 & 5 (p.s.a) at the first convenient opportunity but without other condition.

As now, subject.

General Observations, Opinion as to Class, Recommendation, &c.:-

State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent on this survey, thus, for example:— "to remain as now classed in the Register Book without fresh record of Survey," "to remain as classed and to have record of survey, 1,24," or "to remain as classed and to have record of survey, 1,24, and the notations of ss. No. 1-24 and ptnd 24, &c."
