Dear Sirs,

Accounts: T.S.S. "UMTATA".

We have received your invoices for the Classification Fees, which are receiving our attention.

With regard to the Survey of Electrical Appliances we observe that you charge us £51. 2. 0, which we understand to be according to your scale dated 25th April 1935. We had, however, expected these services to come under the old scale (dated 21st June 1934), seeing that the date of our contract for the building of this steamer was December 1934.

We shall be obliged if you will kindly reconsider this charge.

Yours faithfully,

SWAN, HUNTER, & WIGHAM RICHARDSON
