31st December, 1937.

Dear Sir,

M.

On 14th December, 1936 plans of midship section and profile were dealt with for a vessel, Yard No. 367, to be built by Lubecker Maschinenbau Ges., and in October last a plan of masts was dealt with for this firm's Yard Nos. 367 & 379. On 9th instant a plan of propeller was submitted by you for these Builders' Yard Nos. 379 & 381.

It is noted from the December Quarter Shipbuilding Return that Yard Nos. 379 & 381 are preparing for class with this Society, and I shall therefore be glad if you will state if these vessels are to be built as sisters to Yard No. 367 or whether fresh plans will be submitted.

I am, Dear Sir,

Yours faithfully,

Secretary.

R.S. Johnson, Esq.,
HAMBURG.
