ENCLOSURE.

25th February, 1937.

Dear Sir,

M. I duly received your letter of the 18th instant enclosing a plan, in duplicate, of aft framing and plating for Messrs. Lubecker Maschinenbau-Gesellschaft's Yard No.367, and the contents have been noted.

One copy of the plan is returned herewith, and I have to state that the scantlings and arrangements as shewn and amended thereon will be approved, provided they be carried out to the Surveyors' satisfaction.

The points raised in your letter are all covered on the plans as amended, with the exception of the question of the frames in way of the open floors, and in regard to this the bulb angles may be as proposed, namely 200 x 75 x 9 m/m, or 180 x 75 x 11 m/m.

The duplicate copy of the plan is being retained for reference.

I am, Dear Sir,

Yours faithfully,

A. Chisholm, Esq.,

HAMBURG.
