For the attention of Mr. Sladden.

Dear Sir,

m.t. "KOLLBJORG"

We obtained from Messrs. Anglo-Saxon Petroleum Company the loan of Bs/Lading and Ullage Report covering the cargo carried by this vessel on her last voyage, when she unfortunately broke in two and was lost.

The information contained therein may possibly be of interest to Dr. Montgomerie in connection with the investigation he is at present carrying out, and we are therefore enclosing copies of these documents, which may be retained by your Society.

Yours faithfully,

THE NORWEGIAN SHIPPING AND TRADE MISSION.

Eklima.
