Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

25th April, 1929.

Dear Sir,

S.

With reference to your first entry report No.671 on the machinery of the new steamer "NORDVANGEN", I have to point out that in accordance with the Society's Rules the Nominal Horsepower of the engines of this vessel is 215, and not 199 as given in your report. With a Nominal Horsepower of 215 the Special Survey fee would be £53.15.0, and the First Entry Fee £4. In these circumstances an amended account should be rendered to the Builders accordingly.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

J.C.Dykes, Esq.,  
DANZIG.
