

"KONGSGAARD" 77665

KOCKUMS 196- TANKER

D.G. INSTALLATION.

Mr. Ledgard telephoned this morning to know whether it would be in order to run D.G. coils (M. F. & Q.) consisting of lead covered and armoured cable around the decks of the above tanker. The coils would be supplied off the vessels 220 volt D.C. power supply and run on the open deck. The joint boxes would be situated in the centre castle space in a store. Provisional acceptance to the above proposals was given over the telephone.

IT IS SUBMITTED the following confirmation be telegraphed to Mr. Ledgard:-

LEDGARD  
24 ST. ENOCHS SQUARE  
GLASGOW.

*G.D.* "G.D. PROPOSALS FOR KONGSGAARD ACCEPTED."

In confirming the wire reference is to be made to the details discussed over the 'phone.
