Lloyd's Register of Shipping,

Dundee Rpt. No. 9228

Port DUNDEE

7th June, 1941.

This is to Certify that I have

part

Surveyed the Boiler and/Machinery of the M.V. "KINROSS"

4956 tons gross of Newcastle

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have

Recommended that the records of L.M.C. (M) 6-41, and

D.B.S. 6-41.

be made in the Register Book in the case of this vessel when the surveys have been completed.

Parts now examined:—

All cylinders, liners and pistons, with the top end bushes of the side connecting rods and the crossheads.

The bilge, ballast and lubricating oil pumps.

The Cochran Boiler - (Plain tubes to be renewed and safety valves adjusted to complete survey).

The Riley Boiler) - (Two stay tubes to be renewed.)

John Houston
Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
