Dear Sirs,

I beg to acknowledge the receipt of your letter of the 30th ultimo intimating that the steamer "NIOBE" along with the other vessels of your fleet, is under the control of the French Government but that you are trying to arrange for her to be drydocked this month when the Boiler Survey will be held.

I am much obliged to you for your attention and perhaps you will be so good as to let me know a little later on at what port the docking will take place in order that the the Society's local Surveyors may be advised accordingly;

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
