

Enclosure.

Eleni II

25th February, 1948.

Dear Sirs,

I am in receipt of your letter of the 18th instant respecting the tug "ELENI II" and with regard thereto I have to acquaint you that to entitle the vessel to reclassification the full requirements of Special Survey (D) should be complied with and all necessary repairs effected. The shell plating should be drilled and gauged and the results forwarded for consideration.

For your information and guidance in dealing with the case I enclose a sheet giving particulars of the original thicknesses of this vessel's shell plating.

Yours faithfully,

The Surveyors,
PIRAEUS.
