Dear Sir,

Further to our letter dated 22nd., inst., and our conversation with Mr. Carey we herewith enclose confidentially a copy of the "Keverne's" last boiler report as requested.

We are very sorry that your Inspector was not called to the survey affected last year at Messrs Green & Silley Weir's Balckwall Yard, and we hasten to reassure you that this was entirely due to an oversight on our part, as it would have saved a great deal of trouble to both parties concerned.

We shall do our utmost to stop this tug during March or at latest April and will advise you in good time so that your surveyors can make the necessary arrangements for inspection at Rochester.

We should be obliged if you would return Boiler Report at your convenience, and enclose stamped addressed envelope.

Trusting this will meet with your approval.

We are Sirs,

Yours faithfully,

J. P. KNIGHT LIMITED.
