 S.S. No 2-28

Survey Due Boiler Survey due 7.31.
Screwshaft Survey due 6.31.
2nd Special Survey No.3 due 5.32.

The Owners state that the boiler of this vessel was inspected by the National Boiler Insurance Company's Surveyor in June last when she was generally overhauled and reconditioned, and they regret that owing to an oversight the Society's Surveyors were not called in.

The Owners ask that, in the circumstances, the Committee will be good enough to permit them to postpone the Boiler and Screwshaft Surveys until next May or June at the latest.

It is submitted the Owners be requested to arrange for the boiler to be damaged by the Society's Surveyors the next time it is opened for cleaning.
