The 2nd Special Survey No.3 became due on this trawler in February, 1932, and a proposal to carry it out within the year of grace has been agreed to by the Classing Committee.

In reply to enquiry the Fleetwood Surveyor now forwards a letter received by him from the Owners, reading as follows :-

"In reply to your letter of the 7th February, which has not been replied to earlier owing to the writer's illness, we have to inform you that we have decided to withdraw our S.T. "CITY OF YORK" from classification with your Society and shall be pleased if you will arrange for this to be done."

The year of grace expired 2,33.

The Classing Committee had the case before them on Friday, 24th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
