# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

26th March, 1925.

Dear Sir,

With reference to Glasgow first entry report No.44501 on the twin screw steamer "PRINCESS MARGUERITE", I have to say that it is concluded that the thickness of the floors is as approved and as in the sister vessel, and also that the spacing of the orlop deck beams is as approved, but I shall be much obliged if you will kindly ascertain from the Surveyor and let me know whether this is so.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Secretary,

GLASGOW.
