The Third Special Survey No.1 became due in November last.

In reply to enquiry the Genoa Surveyors forward a copy of a letter received from the Owners to the effect that as this vessel is classed with the Registro Italiano and is intended to be engaged on Italian coasting service they cannot sustain extra expense and are obliged to renounce the class with this Society.

The Classing Committee had the case before them on Friday, the 9th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

15th February, 1934.
