

VESSEL'S NAME *S. Greenwood* Report *Ad.* No. *4030*. *Peno*

Remarks of the CHIEF ENGINEER SURVEYOR for the consideration of the Classing Committee.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

New Vessel

If only partially held, the Committee require in each case a brief statement of the following, amongst other particulars:—

When Survey became due

When proposed to be completed

Remarks:—

It is submitted that action in this case be deferred, awaiting the receipt of a report on the completion of the machinery from Newcastle.
