The Secretary,
London,

Sir,

I have forwarded to day per Commercial paper post the approved plans of the Steamer "Queen Wood" built under special survey by Messrs A Vuyk at Capelle a/d Ysel .-

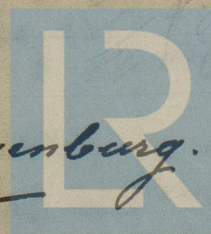

The plans are four in number: midship section, profile plan, suction arrangement in hold, and plan of donkey boiler; with a view to the vessel No' 253 building after the same plans we shall be very glad to receive the plans back as soon as the Queen Wood shall have been completed; also the plan on donkey boiler.---

The reports on this vessel have been forwarded to day and the receipt of the fees will be reported as soon as they have been paid.-

I am Sir,

Your Obedient Servant,

P. H. Leuvenburg.
