The Special Survey No.3 became due in August , 1934,  
and the Boiler Survey in January, 1934.

Several enquiries have been addressed to the Owners,  
and in reply they now write that all vessels purchased by  
them abroad are classified directly by the Register of the  
U.S.S.R.

The Classing Committee had the case before them  
on Tuesday, 2nd instant, when they decided to give instructions  
for the vessel's character to be withdrawn from the Register  
Book and three dots (...) inserted in lieu thereof,  
10,34  
indicating withdrawal of class at Owners' request.
