6th July, 1923.

Dear Sir,

S.

With reference to your letter of the 5th instant relative to the new steamers "ATHERTON" and "BISHOPSTON", I have to acquaint you that the fees for the survey of the hulls and the installation of the engines and boilers have not yet been paid, but in view of the request you have received from the Engineers, I am writing to the Society's Surveyors at Middlesbrough in the hope that they will be able to obtain prompt payment of the accounts in these cases.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Secretary,

GLASGOW.
