Collingwood Buildings, Newcastle-on-Tyne.

DEC 10 MAY 1919

ANSO

9th May 1919.

Reference

S. Dear Sir.

As requested in your enclosing letter of the 2nd instant, having reference to the case of the steamer "San Florentino", Newcastle Report 71799, I beg to forward herewith, a print showing the arrangement of the turbines & gearing. A spare bucket & rod for the lubricating pump have been placed on board. The screw shaft is fitted with a continuous brace.

I am, Dear Sir,

Yours faithfully
Thomas Field

The Secretary
London.
