29th October, 1935.

Dear Sirs,

H.

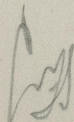

With reference to the classification in this Society's Register Book of the steamer "NEVA", I beg to remind you that the Society's Surveyors at Southampton recommended in July last that some worn chain cables should be renewed within three months, the hatchways placed in order on the vessel's arrival at Leningrad and the wood decks repaired, and, in the circumstances, I shall be obliged if you will kindly let me know whether these requirements have been dealt with. If not what arrangements you propose making for the same to receive attention.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
