ANSE

Dear Sir,

In reply to your classing letter of yesterday respecting the "WAR KESTREL", Middlesbrough First Entry Report No 10175, I beg to state that the number of rivets through the landing edges of the shell plating amidships, is two rows of six in each row, excluding the rivets in the frames, there being two rivets through the landing edges at each frame altho the shell plating is not joggled.

I am, Dear Sir,

Yours faithfully,

D. G. Baker

The Secretary.

London.
