Attention of E. Carey, Esq. - Clerk to the Classification Committee

Lloyd's Register of Shipping,
Church Street,
LONDON, E. C. 3.-

Sirs:

s/s "SAN UGON"

We have for acknowledgement your letter of the 23rd ult. in which you advise that, taking into consideration the explanation given in your letter of the 6th ultimo, the Committee has been pleased to agree in modifying your printed forms. This we have now done, and have the pleasure in enclosing herewith original and duplicate of said form, the modifications to which we trust the Committee will find acceptable.

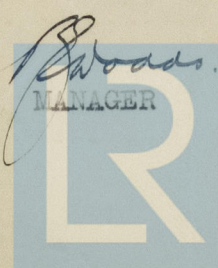

With regard to the proviso made in the penultimate paragraph of our letter, we would advise that we consider same entirely fair and reasonable, and we shall be pleased to have one of the Society's Surveys to make a general examination of the vessel before she leaves dry-dock, should her laying up period be unduly prolonged and the Committee consider the said examination advisable.

Yours faithfully

CIA. MEXICANA DE VAPORES "SAN ANTONIO", S. A.
