

Lloyd's Register of Shipping,

17 Battery Place,

New York.

November 25th, 1932.

Dear Sir:—

With reference to your letter of the 4th ultimo regarding the Steamer "SAN UGON", I may say that the Owners' Representative at Tampico now informs me that the vessel is at present laid up at that port and that she will be placed in drydock, the Boiler Survey held and a new bower anchor supplied before she again goes into commission.

It is probable that the vessel will have to be taken to Mobile for these surveys.

I am, Dear Sir,

Yours faithfully,

Chief Surveyor,
U.S.A. & Canada.

The Secretary,

LONDON.
