The Second Special Survey No.3 will become due on this
vessel in April next.

In reply to enquiry the Hamburg Surveyors now forward a letter,
dated 12th instant, received by them from the Owners, from which
it is observed that they do not intend to continue the classification
of the vessel with this Society.

The Classing Committee had the case before them on Tuesday,
23rd instant, when they decided to give instructions for the
vessel's character to be withdrawn from the Register Book and
Three Dots (...) inserted in lieu thereof, indicating withdrawal
of class at Owners' request.
