Attention of Mr. Bennett, Principal Surveyor

Gentlemen:

We have just placed our S.S. WILLIAM MCKENNEY at the Maryland Drydock Company's yard at Baltimore for conversion to a collier. In the more limited coastwise trade, after such conversion, we have decided that it will not be necessary to maintain her dual classification. We have also decided to continue her in class under American Bureau of Shipping, and therefore will discontinue classification under your society.

We take this opportunity to express our appreciation and thorough satisfaction in the services you have rendered us in the past on this and other vessels of our fleet.

Very truly yours,

MYSTIC STEAMSHIP COMPANY
