The Boiler Survey became due in the case of this vessel in January last.

In reply to enquiry the Society's Surveyor at Naples forwards a letter he has received from the Owner, intimating that he has decided to withdraw the vessel's class from this Society, maintaining her in the Registro Italiano class only.

The Classing Committee had the case before them on Tuesday, 27th instant, when they decided to give instructions for the character of the vessel to be withdrawn from the Register Book and Three Dots (. . .) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
