MONTREAL, July 24th. 19 19.

The Secretary,

London England.

Dear Sir:-

S.

I beg to acknowledge receipt of your letter of July 1st, "CANADIAN PIONEER" Montreal report 1681, I have to state that the size of the second deck beams is as approved, the thickness of the side girders in the boiler spacing and the rivetting of the bridge side plating are as approved.

A hand pump has been fitted to the fore peak tank top, and this pump, and the Downton pump were tried out, and found to be working satisfactorily

Yours very truly,

H. J. Alderson
