The Boiler Survey became due on this vessel in May last.

The Society's Surveyor at Naples now forwards a letter from the Owner, from which it appears that, for reasons of economy, he has decided not to continue the vessel's class with this Society.

The Classing Committee had the case before them on Friday, 19th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owner's request.
