Dear Sirs,

s.s. "NORSE CARRIER".

We beg to enclose herewith copy of letter dated November 25th a.c. from Lloyd's Register of Shipping, London, to Messrs. Wallem & Co., Hongkong, dealing with the 2nd Special Survey No. 3 due on above vessel at the end of December 1937, year of grace being also expired within the next few days.

After having discussed the matter with our clients ^{you} they request us to inform that they have come to the conclusion that it will be connected with too heavy expenses continuing the steamer's class with Lloyd's and that consequently she will not submit to the special survey now due.

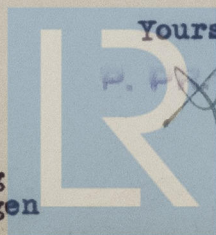

Please advise your London principals accordingly and oblige

Yours faithfully,

Encl.
