The Second Special Survey No.3 became due in the case of this vessel at the end of April last.

In reply to enquiry the Society's Surveyors at Genoa now forward a translation of a letter, dated 9th ultimo, received from the Owner, from which it is noted that, for reasons of economy, he has decided to allow the class of the vessel with this Society to lapse.

The Classing Committee had the case before them on Friday, 7th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and Three Dots (. . .) inserted in lieu thereof, indicating withdrawal of class at Owner's request.
