The class of this vessel is subject to the tank top plating being further examined and dealt with not later than December, 1939, and in reply to enquiry regarding this matter the Havre Surveyors have forwarded a letter from Messrs. Worms & Co. to the effect that the vessel has been requisitioned by the Minister of Merchant Marine (for whom they are Managers) who has decided to transfer the vessel's class to the Bureau Veritas.

In the circumstances the Classing Committee, who had the case before them on Friday, the 2nd instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and Three Dots (...)<sup>2,40</sup> inserted in lieu thereof indicating withdrawal of class at Owners' request.
