The Boiler Survey became due in August last.

Mr. H. Jasper Cox, the Society's Principal Surveyor for the Far East, has now forwarded a letter in which he states that the Owners of this vessel propose to carry out considerable alterations and fit her for local trade, and in view of the service in which she is to be engaged they no longer desire to maintain her class in the Register Book.

In the circumstances the Classing Committee, who had the case before them on Friday, the 2nd instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and Three Dots (...) inserted in lieu thereof indicating withdrawal of class at Owners' request.
