RECOR 17 JUN 1907

Instructions to Baltimore Surveyor,
(in reference to the case of the Oil Steamer
H.S. Porter, Newport News Co. No. 44.)

Submitted the Baltimore Surveyor should be informed that it is not necessary to retain in the Society's local office copies of the plans of vessels built in the district to the Society's classification. The plans used by the Surveyor in surveying a vessel should be corrected by him if necessary, on the completion of the vessel so as to represent, in all respects, the vessel as built and the plans so corrected should be forwarded to this office with the First Entry Report.
