5th June 1907.

Sir,

M I have to acknowledge the receipt of your report No. 1209 on the new oil carrying steamer "W.S.PORTER", and with regard thereto I have to confirm my telegram to you today, as follows, viz:-

"W.S.PORTER einfrage =(please forward plans) all approved
"meanwhile becaflote =(action deferred)".

I may add that your omission to forward these approved plans along with the first entry report on the vessel will cause further delay in her classification, as until these have been received and compared with the reports, the latter will not be laid before the Committee.

I am, Sir,

Your obedient Servant,

Secretary.

J. G. Hunter, Esq.,

BALTIMORE.
