Dear Sirs,

I have been advised to contact you by Mr. R.E.C. Lander, Shipping Editor of Lloyds, in connection with the German tanker EUROFELD, details of which I enclose for your guidance.

I am requiring a photograph of this ship, preferably as the EUROFELD, although photographs of her when owned prior to the last war would be acceptable.

I should be most grateful to you for any help you can give me, if you are unable to supply one.

I am doing some detailed research on the subject of supply ships and raiders and anything you can do to help me trace a photograph of this vessel will be most valuable to me. Alternatively, if you have no photograph could you supply plans?

Built to class

Yours faithfully,

W H Murray
