

WOKINGHAM COPY.

28th September, 1942.

Dear Sirs,

Further to my letter of the 14th ultimo regarding the steamer "WILLEMSPLEIN", I beg to acquaint you the Committee have now had before them a report received from the Society's Surveyors at Cardiff, from which it appears some repairs have been effected to the electrical installation and the installation examined and tested.

No alteration is being made on the memorandum in this office regarding the case.

I am, Dear Sirs,  
Yours faithfully,

The Netherland Shipping & Trading Committee Ltd.
