QUESTION.

ANSWER.

The Owners should be reminded that the Screwshaft Survey is now and should be dealt with in accordance with the conditions set forth in Circular No.1772.

At the same time it should be pointed out to the Owners that the Boiler Survey will become due at the end of next month.

*K.S.K.*

Date:— 18th June 1941

The Owners' Superintendent states that the Screw shaft Survey will be carried out as soon as a convenient dry dock becomes available, probably within the next month, and the Boiler Survey will be dealt with at the same time.
