29th February, 1912.

Gentlemen,

E.

I am in receipt of Mr. Ritson's letter of the 26th instant respecting the pumping arrangements proposed to be adopted in the case of the Auxiliary Screw Schooner "AQUILA" being built by The Cantiere Officina Savoia of Cornigliano, and note his remarks, and with regard thereto I have to acquaint you that the Builders' proposal to work the independent bilge pump by the air compressor Engine will be approved provided this pump be fitted to your satisfaction and prove satisfactory on trial.

I am, Gentlemen,

Your obedient Servant,

Tried twice & found satisfactory
W.F.

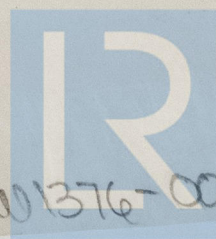

Secretary.

The Surveyors,

GENOA.
