

Lloyd's Register of British & Foreign Shipping,

342, Argyle Street, Glasgow.

August 27th 1910

The Secretary, Glasgow

Sir

With reference to the General Secretary's letter of Aug. 25th regarding Report No. 29221 on the machinery of the S.S. "Barshaw", I beg to inform you that the lower front end plate of the boiler was made $1\frac{5}{16}$ " thick & regret that a clerical error was made in the report.

I am, Sir

Your obedient servant
H. Gardner-Smith
