23rd March, 19 21.

Dear Sirs,

"Indianapolis"

We duly received your letter of the 19th inst. and we have taken our clients' instructions on it.

You are not correct in your statement as to what took place on the Arbitration. Mr. Hill was asked by Counsel when the class of this vessel was withdrawn and he answered "On the 25th August a letter was written by the Owners to the 'Society's office at New York withdrawing the classification of 'this vessel'".

Our clients have now gone out of their way to give you all the explanation which they can with regard to this matter and we are afraid you must take it that they are not prepared to discuss it further.

Yours faithfully,

PARKER GARRETT & CO.
