My Dear Warlow,

With reference to the copy of the official letter of yesterday addressed to the Surveyors at Greenock respecting the fees for the survey of the steamer "BARRWHIN", I notice that the fee of £10 charged for the survey of the turbine machinery at your port is still outstanding, and I hope we shall soon receive this money, so that the certificates may be issued.

With kind regards,

Yours faithfully,

P.L. Warlow, Esq.,

GLASGOW.
